Dear Principal/Administrator,

My name is Rob Wetmore, and I am the Owner and Senior Instructor at Leading Edge Martial Arts in Allentown. I am reaching out to introduce several educational programs we offer to local schools at no cost as part of our commitment to serving the community.

Throughout the Lehigh Valley, we partner with schools to provide engaging presentations that educate students on important life skills and safety topics, including:

- Anti-Bullying
- Stranger Awareness and Safety
- Peer Pressure Resistance
- Self-Discipline and Respect
- Self-Confidence and Personal Responsibility
- Healthy Lifestyle Choices
- The Values and Responsibilities of Martial Arts Training

Our presentations are designed to be both educational and entertaining, giving students a positive, high-energy learning experience while reinforcing important messages they can apply in their daily lives.
We can customize our visit to fit your school's needs and schedule through any of the following formats:

- Individual Classroom Presentations
- Physical Education/Gym Classes
- Grade-Level Presentations
- Full School Assemblies

Our goal is to empower students with knowledge, confidence, and practical strategies to help them make positive decisions, stay safe, and treat others with respect.
Leading Edge Martial Arts has conducted these programs in numerous schools throughout the Lehigh Valley with tremendous success. We would be happy to provide references from educators and administrators who have hosted our presentations and can speak to their positive impact on students.
Most importantly, there is absolutely no cost to your school. These programs are offered as a community service because we believe every child deserves access to valuable life-skill education.
I would welcome the opportunity to discuss how we can bring one of these programs to your students. Please feel free to contact me with any questions, or I would be happy to schedule a time to meet with you in person.
Thank you for your time and consideration. I look forward to speaking with you soon.
Sincerely,

Rob Wetmore
